

Safe Families

Services:

- Request a host family:
 - Do you feel overwhelmed and struggle to meet the needs of your children? Safe Families for Children (Safe Families) is here to help you. We are a network of families who volunteer to care for your children for as long as you need.
 - All families are volunteers, who are not paid for this service. Many Host Families open their homes because of their personal faith commitment. Safe Families does not arrange adoptions and is not a foster care or adoption service.
 - Children can be aged 0-21 years
 - Biological parents will retain full custody, can contact at any time, and rescind their children from the volunteer's care at any time.
 - The usual time of stay for the children can be anywhere from 2 days to a year, but there is no definite limit to the possible length of stay for the children.
- Request a family friend or mentor:
 - Many parents need help and support but don't need their children to stay with a Host Family. Family Coaches can provide you with support and guidance, such as helping you to find work or secure an apartment. Please call or email us, and we will contact you soon.
